CAD**

High Volume Attic and
Crawl Space Brass
Treating Tip

Trigger Gun-Telescoping
Wand 10" to 18" Inches

The introduction of the BOSS system to my team has been extremely positive in so many ways that they have officially replaced the use of our power-sprayers in about 80% of our treatments now."

- Abell Pest Control, Doug Rolling

The biggest benefit I find when our staff use the BOSS as opposed to other equipment is increased productivity, we are able to get more jobs done each day!"

- Branch Manager, Ruth Gowan

FEATURES

Each **PRO-1024** comes with drip-less hydraulic connectors. Connect the two included **50 ft** coils of hose to reach up to **100 ft** away from the actual Applicator with no pressure loss.

Place the **PRO-1024** model in the garage allowing the technician to go up with the **trigger gun** and **hose** only for fast and easy movement in the attic.

The **PRO-1024** provides **fast output delivery for various applications**, such as termite control, permitting the technician to enter the attic or crawlspace and leave as quickly as possible.
