“

The introduction of the BOSS system to my team has been extremely positive in so many ways that they have officially replaced the use of our power-sprayers in about 80% of our treatments now.”

- Abell Pest Control, Doug Rolling

“

The biggest benefit I find when our staff use the BOSS as opposed to other equipment is increased productivity, we are able to get more jobs done each day!”

- Branch Manager, Ruth Gowan

## INSTRUCTIONAL VIDEO

The **Cover X Foam Machine** is designed to provide you a cost-effective tool for treating many areas when foam is the best type of application method for the job. This applicator is ideal for **all types of chemistry** and for many markets. Termites, Pest Control, Bioremediation of Organic Waste, Sanitizing-Disinfecting and many others. The Cover X Foam Machine, using ProFoam Platinum concentrate and your other supportive chemicals will treat the entire void area; providing superior results over standard liquid only treatments.
