ONE POD. MULTIPLE BENEFITS.

Sustainable

Significantly reduce packaging (up to 85%!) & freight emissions (up to 95%!) compared to other ready-to-use disinfectants

Cost Effective

Less expensive than other ready-to-use disinfectants & easy to monitor inventory/supply

Minimal Training

Controlled dilution, easy to use, and no dispenser set-up necessary

Space Saving

1 case of MonoPods = 12.5 cases of ready-to-use chemical
